

# Motion to clarify procedure for shared office

**Proposer:** Brendan Bell 2001526

**Second:** Kunal Shah 2054163,

**Third:** Felix Bowyer 2064363

**Fourth:** Matthew Knight 2007659

**Fifth:** Skiros Habib 2041635

**Sixth:** Samuel Chee 2014031

**Seventh:** Adam Skrzymowski 2012758

## The society notes:

1. Certain positions require multiple officers in order to operate effectively, and to maintain the volume and quality of events.
2. Currently we have at least 3 events per week that require the help of multiple exec to function.
3. It is unfair to expect a single exec member to bear sole responsibility of everything required of the role.

## The society believes:

1. The current system of assigning multiple applicants to an exec role is ambiguous and open to abuse.
2. We should clearly define the procedures relating to multiple posts of an office.

## The society resolves:

1. For each role, there should be a fixed number of positions available. STV ranking will be used to allow us to select the top applicants in order to fill a role's quota as needed.
2. In the case the quota is not fulfilled, the role vacant spots may be filled using a by-election or otherwise in accordance with the
3. Modify article 6.3.1 of the UWCS constitution to state:

"All positions will be filled up a maximum of 2 for all available positions, with exception of the 'President' role which has sole occupancy as well as Academic and Gaming coordinators which can have up to 3. Additional positions should be filled in accordance with 6.3.2"

4. Create article 6.3.3 stating:

“Should a position not reach it’s quota as defined in 6.3.1, the incoming exec should treat the empty position as a vacant slot in accordance with Warwick SU’s regulation 9 on vacant slots.”

5. Create article 6.3.4 stating:

“If multiple members run together, they will be considered as 1 candidate in regards to shared office and as such each member will be considered  $1/n$ th of a full vote where  $n$  is the number of people running jointly.”
