

Motion to improve accessibility to democracy

Proposer: Felix Bowyer (2064363)

Second: Nathan Downes (2012695)

The society notes:

1. Society motions on voting day are currently only available in plaintext.

The society believes:

1. Accessibility to democracy is important.
2. The secretary doesn't have enough work to do.

The society resolves:

1. Motion documents should be made available at least one (1) day before a society election.
 - a. If a motion document has not been submitted one day prior to the election, it should be published as soon as possible after it is submitted.
2. Voting (standard) members of the society should be able to request motion documents in the following accessible formats, wherever possible:
 - a. Large print
 - b. Audio
 - c. Braille
3. Where colours are used in motion documents, efforts should be made to ensure appropriate colour schemes are used to improve accessibility for colourblind society members.
